

**LIVING TOGETHER IN COMMUNITY...
SHINING JESUS' LIGHT**

Pursuing More...

Our life in Christ is more than just a one time acceptance of Jesus as our Lord and Saviour... it is a life long pursuit with eternity in mind that should drive and direct us to not only learn more about Christ, but to pursue application of God's truth in our lives as we live for Him.

I challenge you to take a next step in your spiritual journey...

The following pages include a self-evaluation in six key areas of your life that are designed to encourage you in your pursuit of living as a follower of Jesus Christ.

Please take the time to engage and when you have finished find someone to share your results with. Investigation is only as effective as the application and for that accountability is a must. So whether it is the Pastor, an Elder, a spouse, or a close friend, share the journey together.

May you know and experience the rich blessing of God as you pursue Him!!

Understanding My Journey as a Follower of Jesus Christ

When we respond to Jesus' call upon our lives and choose to follow Him as our Lord and Saviour that is only the beginning. Just as Jesus called the disciples to come and follow Him, that began a lifelong journey of learning to understand what it means to be a follower of Jesus.

It is our desire here at Westside Alliance Church that everyone would strive to move forward and grow in their relationship with Jesus Christ. We recognize that each of us is on an individual journey in which God is leading us. As such, we want to equip you and also enter into a conversation with you to assist you in knowing where you are at in your journey in order to see where there are areas to pursue improvement as we follow Jesus together.

The following questions only achieve any meaning and purpose as you choose to engage in responding to them and in your choice to take next steps in response to what you see revealed in these pages. This is not a test to be handed in and graded. Taking time to work through the questions is an act of worship which honors and glorifies Him. Allow God to speak to you and reveal His truth and will for your life. Our desire is that you will engage with the responses and choose to grow in your relationship with God in Christ Jesus as well as in the daily practice of your life as a disciple of Jesus.

Our ask is for you to invest the time to honestly answer the questions set before you in these six key areas that provide a baseline of where you are at as a disciple of Jesus Christ. Our hope is that as you reflect upon and review your answers in the year to come that you will see growth in your spiritual life. As we are all on this journey together, we want to support and encourage you as best we can for the Glory of the Father, so contact us if you have any questions.
