### ENGAGE

- Do you believe that God still speaks today? Have you heard God speaking to you through His Word? Through Dreams? Through Visions? Through Creation? Through other people? What has God been saying to you?
- Do you take the time to be still enough to hear God speak? DO you have a practice of being quiet before God and asking Him to speak to you?
- What does it mean to take every thought captive?
- Do you believe that God who has all the power in the universe also cares for every detail of your life? What does this mean for you?

### CHALLENGE

Take time this week to find a quiet place and ask God to speak to your life. Then respond with what He shows you.
