ENGAGE

.....
Examine your life: Are you living in darkness or in light? Do you find that at times you are drawn more to one than the other? What steps are you taking in your life to keep centered in living for the light? How is your life impacting others towards the light? Is your light shining brightly for Christ's Kingdom, or is it shadowed and covered (Matthew 5:14-16)? Is your life a testament to God's glory? What beliefs do you hold about the promises of God that are affecting the way you are living your life today? Can you see them in action? If not, what needs to change?

Personal Challenge: Who do you have in your relational context that is living in darkness and needs to see the light? How will you engage them with the light of Christ this week? Now Do IT!!
